[redacted]

25X1 9. [redacted] In response to a query from the House Committee on Science and Astronautics, advised Col. Francis Dillon, Staff Consultant to the Committee, that the Agency would not be presenting prepared questions in advance of the hearings on machine translation research scheduled for 13 May.

Col. Dillon advised that consideration would be given to having Dr. Destert of Georgetown University at the table with Mr. Borel and to have a single question period after both had made their presentation if such an arrangement were acceptable to Mr. Borel.
